

CLAIMS PROCESS

01

CLAIM REVIEW & FILE

Firstly, we will review the details of the claim and gather all of our findings and evidence for the claim. This will determine if the claim is covered or not.

PROOF OF LOSS

Secondly, we need to submit a Proof of Loss if you have not done so already. This keeps the Carrier to a timeline.

03

NEGOTIATIONS

At this point, we will go back and forth with the Field and Desk Adjuster to negotiate coverage and cost.

SETTLE +

Most times, we don't have to go to litigation, appraisal, or mediation, but these methods may be used in the claim.
